FMLA Certification of Health Care Provider
Employee's Serious Health Condition

HR-BEN-069

Section 1 - Information and Instructions

The purpose of this form is to submit the required documentation for your FMLA request.

NOTE: You can request a leave of absence under the Family and Medical Leave Act ("FMLA") online at My MTA Portal, www.mymta.info. If you are unable to apply online, you must complete the HR-BEN-028 form 30 days prior to the start of your leave or as soon as possible. See the instructions at the top of the form for how to submit it to your agency.

Please complete Section II below before giving this form to your medical provider. The FMLA permits an employer to require that you submit a timely, complete, and sufficient medical certification to support a request for FMLA leave.

If this certification is requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. 29 U.S.C. §§2613, 2614(c)(3). Failure to provide a complete and sufficient medical certification may result in a denial of your FMLA request. 29 C.F.R. § 825.313. Your employer must give you at least 15 calendar days to return this form to your employer. 29 C.F.R. § 825.305.

Section III – For Completion by the HEALTH CARE PROVIDER

The employee listed above has requested leave under the FMLA to care for your patient. Answer, fully and completely, all applicable parts below. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the patient needs leave. Page 3 provides space for additional information, should you need it. **Do not provide information about genetic tests, as defined in 29 C.F.R. § 1635.3(f), genetic services, as defined in 29 C.F.R. § 1635.3(e), or the manifestation of disease or disorder in the employee's family members, 29 C.F.R. § 1635.3(b).**
